FIRST MILITARY SECRET OF AMERICA ANNOUNCED YANKEE FLYERS DIRECTED BY RADIO-TELEPHONE

RAINBOW CHIEF WILL GO TO SPA

Signal Honor Conferred on General Rhodes Who Led Our Great Division

By Associated Press Dispatch.

Washington, November 15. — News that an American military mission headed by Major General Chas. D. Rhodes, commander of the 42nd Rainbow Division, at last reports, will visit German great headquarters at Spa, Belgium, next Saturday, aroused much calculation here.

So far as could be learned no official information as to the object of the trip had reached Washington.

The purely military character of the mission was regarded as an indication that General Rhodes' trip was for the purpose of arranging with the German high command for the occupation of various fortresses in Alsace-Lorraine which lie in front of the American line.

DELAWARE MAN

By Associated Press Dispatch.

Columbus, O., November 15. — Major General Rhodes, named as the commander of the American mission which is to meet German officials at German headquarters at Spa on Saturday, is Major General Chas. D. Rhodes of Delaware, Ohio, who is in command of the famous "Rainbow Division." The old Fourth Ohio National Guard is a part of this famous division.

AMERICANS WILL MAKE VISIT TO SPA

(By Associated Press Cable)

London, November 15. — (11:31 a. m.)—An American mission commanded by Major Gen. Rhodes will leave Saturday for Spa, German headquarters, Marshal Foch announced in a wireless message to the German high command.

The mission will consist of six officers and 19 soldiers. The German command is asked to give instructions to allow the mission to pass.

DESTROYER SHAW STRIKES SHIP

By Associated Press Dispatch.

New York, November 15. — In the collision between the U. S. Destroyer Shaw and the Canadian Pacific line steamship Aquania in European waters October 9, a announced by the Navy Department two days later, the naval vessel was cut in two, 35 feet aft and bow, and the forward section sank immediately. The other section caught fire it was learned here today, with the arrival of the Melita, carrying 25 survivors of the Shaw.

SEEMS SURE OF MEETING

(By Associated Press Cable)

Paris, November 15.—Versailles although not formally chosen as the meeting place of the peace negotiations is regarded as almost certain to be the place selected for the peace conference when interallied council reassembles today. The real work of the negotiations will be carried on in Paris where it is probable that delegations from all the countries will reside temporarily, the members going out to Versailles now and then for plenary sessions of the conference.

STILL DISHONEST WITH THE PEOPLE

(By Associated Press Cable)

Copenhagen, November 15.—The Politiken quotes the British Military attaché here, Col. Wade, as saying in an interview that the Germans in publishing the terms of the armistice omitted six or seven articles including that relating to the allies providing food if necessary.

HUNTING SEASON'S FIRST ACCIDENT RESULTS IN DEATH

By Associated Press Dispatch.

Columbus, November 15.—The first accident of the Ohio Rabbit hunting season which opened Friday occurred at five o'clock in the morning when Mrs. Calvin Rader, of Waterloo, a mile from Canal Winchester, was instantly killed when a shot gun which her husband was handling while getting

ready to leave home to hunt was accidentally discharged.

The contents of the gun struck her in the back. Her husband's little finger was also shot off.

Besides her husband two little children survive.

420,000 FRENCH PRISONERS GIVEN RELEASES SOON

(By Associated Press Cable)

Paris, November 15. (Havas Agency)—French war prisoners numbering 420,000 will be repatriated soon. This number includes those who have been interned in neutral countries. A delegation from the French General staff has held conference at German headquarters at Spa to arrange details for bringing these men back to their country.

OUT AT SEA BRITISH WILL GIVE TERMS

(By Associated Press Cable)

London, November 15.—(2:38 p. m.)—The German cruiser Koenigsberg, which is carrying the German delegates to arrange the naval terms of the armistice, it is understood here, will be met by British warships this afternoon and will be escorted to a point at sea where the German delegates will meet Admiral Sir David Beatty, commander of the British grand fleet.

News of the Amazing Development Hitherto Guarded a Military Secret

The Germans Toward the Last Suspected That Something Unusual Was "Doing"

Some Details of Great Achievement Not Made Public Even Yet

By Associated Press Dispatch

Washington, November 15. — Squadrons of American airplanes fighting in France up to the moment of the armistice, were maneuvering under the vocal orders of the squadron commander that reached each pilot by radio-telephone.

News of the successful development of this device, hitherto a military secret, though some inkling of it had reached the Germans just before hostilities ceased, was allowed to become public today by John D. Ryan, director of aircraft production.

"There are some details which we cannot discuss yet," Mr. Ryan said, "but the radio-devices worked out during months of experiment went into actual service some weeks ago. I have myself, standing on the ground given orders to a squadron flying in the air and watched them maneuver accordingly. The transmission of the voice is clear enough to be heard distinctly through the sound of the motor. It is in every way the most satisfactory of communication means between planes in the air."

MORALE IS DISTURBED

End of Hostilities Finds Them Bitterly Disappointed at Lack of Opportunity.

By Associated Press Dispatch.

Washington, November 15.—Cessation of hostilities in Europe and disappearance of the prospect of meeting the enemy on the battlefields has brought an immediate loss of morale among American troops at home that is regarded at the war department as somewhat alarming. It is understood steps to deal with the situation already are being prepared.

Reports from all divisions on November 11, the date of the armistice without exception contained glowing references to the high spirit of the men.

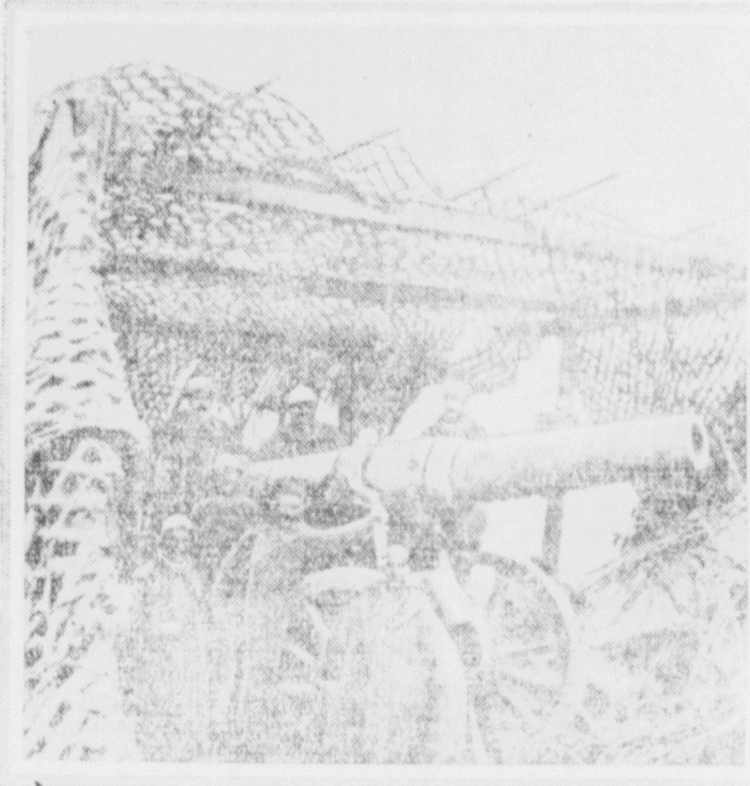

CHANGE MARKED.

The reports contained glowing references to the high spirit of the men and to their evident desire for early embarkation. Upon news that the armistice had been signed the mental attitude of the soldiers is said to have undergone a marked change.

Instead of bombarding his immediate superiors with queries as to the probable date of entraining for the seaboard the soldier became anxious as to the date of his release from service.

More serious are reports by some commanding officers that their men are exhibiting a tendency to view themselves already released from the strict routine of the camp.

GUN HAS REMARKABLE TRIP

CAPTURED FROM THE RUSS

This heavy gun was made in the United States for the Russian Government. Shipped to Russia, it was captured by the Germans just prior to the Russian debacle. The piece was then taken to the western front and used by the Huns in staving off the rushes of the French Infantry. Now the gun is the property of the French, having been captured by them, and is fired its heavy shells at the retreating armies of the Kaiser. The photo shows the gun, camouflaged, just after it was captured by the French.

Youngstown Telegram Pro-Ally and Dry, Object of Bomb Conspirators

By Associated Press Dispatch.

Youngstown, Nov. 15.—Bombers attempted to wreck the offices of the Youngstown Telegram shortly before midnight Thursday. A bomb planted just outside the press room let go, breaking windows and crushing doors and otherwise damaging the building.

Other buildings within a radius of a block were damaged, bomb fragments penetrating doors and windows.

The Associated Press wires within the building were not damaged.

The Telegram has been strongly pro-ally and is one of Ohio's foremost dry advocates.

Several years ago an attempt was made to dynamite the home of its publisher, Samuel G. McClure.

(By Associated Press Cable)

London, November 15.—American airmen landed at Cologne on the Rhine on Thursday, according to a Cologne dispatch to the Copenhagen Politiken and transmitted by the Exchange Telegraph Company.

SWISS STRIKE ORDER IS OFF

By Associated Press Dispatch

Washington, November 15.—unconditional revocation of the general strike order in Switzerland by the Socialists Committee was reported today in an official message to Swiss Minister Sulzer here.

The Minister's dispatch said the President of the Federation has been notified formally by the Committee of the withdrawal of the order. He regards this as meaning complete suppression of the Bolshevik movement in Switzerland.

TWO SENATORIAL CONTESTS LIKELY

Newberry and Mosses Right to Seats Will be Disputed.

By Associated Press Dispatch.

Washington, November 15.—Contest of the election of two Republican senators, Truman H. Newberry of Michigan, and Geo. H. Moses of New Hampshire, were forecast in proceedings today before the Senate privileges and elections committee. Protest against the seating of both, elected on the face of the returns, were received by the committee which deferred action.

CROWN PRINCE'S THRILLING RUN

(Associated Press Cable)

Amsterdam, November 15.—Crown Prince Frederick William of Germany arrived at Maastricht on Tuesday from Spa, having taken a circuitous route in order to avoid mutinous troops. The party which traveled in three motor cars was help by frontier guards because all its members were armed. Internment was ordered but when it became known that one of the party was the Crown Prince, all were disarmed and detained until the arrival of the Dutch commander.

The Crown Prince accompanied the commander to the latter's house, where he remained within his suite under guard, pending instructions from The Hague.

MILK FAMINE NEAR AT HAND IN THIS CITY

Present Supply Said to be 50 Gallons Short Each Day and Taylor Dairy's Suspension Next Week Will Remove 100 Additional Gallons—Chance for Farmers

Although in the very heart of one of the richest dairy districts in the state of Ohio, Washington C. H. is face to face with a milk famine, and unless sufficient milk can be purchased of farmers and distributed through the dairies furnishing milk to the city, citizens must make greater use of condensed milk in order to obtain relief.

According to the officials of the Fayette County Food Administration who have given the problem consideration, the city already has a shortage of 50 gallons of milk each day, and after Friday of next week, when the Taylor Dairy herd is to be sold at auction, the shortage will be further increased by 100 gallons per day, or a total shortage of 150 gallons per day, unless some method can be found to meet this shrinkage.

In this connection it is also stated that the present price of milk will be increased from 6c to 7c per pint, and 12c to 13c per quart, which is explained as being due to the fact that much milk must be purchased from farmers by the remaining dairymen who retail milk in this city, and the price necessary for this milk makes it necessary to sell at the increased price mentioned above.

If the other two dairymen, who are left in business after the Taylor herd is sold, can obtain sufficient milk from farmers to make up the shortage, it is understood this will be done as already considerable milk outside of that produced by the regular dairy herd, is used to supply the demand.

The Food Administration is co-operating with the dairymen in an effort to bring relief in as large a measure as it is possible to do so.

A number of local citizens are preparing to purchase cows in order to make sure of their milk supply during the coming winter.

RECEPTION GIVEN TO BRYCE BRIGGS

"Sergeant Bryce Briggs, of New Holland, who was in Circleville Tuesday was given an informal reception at the court house where he met the friends and relatives of the boys who are now serving in France.

Sergeant Briggs is a member of Company F, of this city and was promoted to sergeant after his arrival in France. Sergeant Briggs received a wound which made it necessary to amputate his left leg. He is a very interesting talker and can give some very graphic descriptions of the life in France."—Circleville Herald.

FRESH OUTBREAK IN NEARBY TOWN

A fresh outbreak of the Spanish Influenza occurred in Greenfield, during the past several days, and as a result the ban, which had been lifted, has been replaced and as a result all places of public assembly have been closed and will not be reopened until the first of the coming week.

Regarding the situation in Greenfield the Republican says:

"During the past week there have been many new cases and some of

the doctors state they have had practically as many calls as at any time when it was so prevalent in October. Many new cases were reported Wednesday and it does not look as though the end was yet.

"However, from the reports which reached The Republican Wednesday as to the number of new cases reported, it would seem at this time it would be a wise policy to keep the lid on until such time as the city is thoroughly cleared of the epidemic, whether it is until Saturday or the rest of the month. The opening was a serious mistake, one that should not be repeated."

FEEBLE AGED WOMAN

75 Years Old, Weakened by Pneumonia—Vinol Restored Strength.

Winchester, Va.—"I am a farmer's wife, 75 years of age, and pneumonia left me in a weak, run-down condition, so I could hardly keep about and do my work. A neighbor brought me Vinol and it has built up my strength so fast that I think it is the best medicine I have ever taken."—Mrs. Jennie Chapman.

There is no secret about Vinol—it owes its success to beef and cod liver peptones, iron and manganese peptonates and glycerophosphates, the oldest and most famous body-building and strength creating tonics. Blackmer & Tanquary.

P. S.—Our Saxol Salve is truly wonderful for Eczema. We guarantee it. Advt.

MERCHANTS WILL SELL WAR STAMPS

At a recent meeting of the retail merchants of the city and county it was unanimously decided to assist in the sale of War Savings and Thrift stamps from now until the end of the year by selling the stamps over the counters in order that Fayette county may fully absorb her allotment of War stamps and be 100 per cent patriotic.

The meeting is the result of the organization in Ohio of the Retail Merchant's Division in the state to look after sales of the stamps in every way possible. Jess W. Smith presided and explained the purpose of the meeting, making it clear that Fayette county is still \$100,000 short of reaching her quota, and that it was the wish of the committee in charge that the merchants dispose of at least half of this amount during the remainder of the year.

Each merchant was asked to take \$25 for each sales clerk in his establishment to be sold during the remaining weeks of 1918, and each manufacturer has been asked to take \$10 for each employee.

The plan met with ready response and so far pledges of \$25 have passed 300, or \$7,500 and the pledges are increasing rapidly.

The stamps are to be sold by the stores and in giving change to customers the customer will be asked if he or she will accept a portion at least in thrift stamps. This plan has been tried elsewhere and works splendidly.

Committees were named to work each of four divisions of the city, and in the near future the work of fully organizing the county will be taken up.

HUNTERS ACTIVE TODAY THE FIRST

Reports from the rural districts indicate that the usual large number of hunters are active on the first day of the open season for hunting rabbits, and reports from the first hunters out state that they have had little difficulty in finding quite a number of rabbits.

Not only has the clerk of courts office been kept busy issuing hunters' licenses during the past several days, but township clerks also have written large numbers of the licenses.

LEGS ARE FILLED WITH BIRD SHOT

The first hunting accident of season in Fayette county, occurred on the Isaac Miller farm near Bloomingburg shortly before noon Friday, when Clyde Irons, of this city, an employee of the Standard Oil Company, had both legs filled with bird shot from the knees down as the result of a shot gun discharged in the hands of Otis Miller.

When the dozens of shot struck Irons in the legs he fell to the ground.

As speedily as possible he was removed to a physician's office and the shot, insofar as possible, removed. It is expected that he will speedily recover, as the wounds, although very painful, are not necessarily serious.

POEM FOR TODAY

THE FALL OF A DESPOT
 'Tis done—but yesterday a King!
 And arm'd with Kings to strive—
 And now thou art a nameless thing;
 So abject—yet alive!
 Is this the man of thousand thrones,
 Who strew'd our earth with hostile bones,
 And can he thus survive?
 Since he misallied the Morning Star,
 Nor man nor fiend hath hath fallen so far.
 Ill-minded man, why scourge thy kind
 Who bowed so low the knee?
 By gazing on thyself grown blind,
 Thou taught'st the rest to see.
 With might unquestion'd—power to save—
 Thine only gift hath been the grave.
 To those that worshipp'd thee;
 Nor till thy fall could mortals guess
 Ambition's less than littleness!

Thanks for that lesson—it will teach
 To after-warriors more
 Than high Philosophy can preach.
 And vainly preach'd before.
 That spell upon the minds of men
 Breaks never to unite again,
 That led them to adore
 Those Pagod things of sabre sway.
 With wreaths of brass and feet of clay.
 The triumph and the vanity,
 The rapture of the strife—
 The earthquake voice of Victory,
 To thee the breath of life;
 The sword, the scepter, and that sway
 Which man seem'd made but to obey
 Where with renown was rife—
 All quell'd—Dark Spirit; What must be
 The madness of thy memory!
 —Lord Byron.

KRYPTOK
GLASSES
THE INVISIBLE BIFOCALS

KRYPTOK Glasses are for everyone who needs perfect bifocals. They enable you to see both near and far objects clearly—without removing or changing glasses. KRYPTOKS (pronounced krip-tocks) are the only double vision glasses with clear, smooth, even surfaces.

CONVALESCENCE

"Getting better" is the most serious time for those who have had gripe, influenza or other severe sickness. Something more than ordinary good food is required to build you up. A tonic is needed, and for this purpose doctors usually prescribe some form of Iron, Nux Vomica, Gentian, and Zinc Phosphide.

The Iron especially is very essential but in most preparations it causes constipation. In Dr. Chase's Blood and Nerve Tablets this is overcome however, by the addition of Aloin to the other tonic remedies.

As these tablets contain all of these essential tonics in any easily assimilated form, they make a pleasant safe and sure health restorer and of inestimable value at this time.

Weigh yourself before taking and watch the rapid progress of returning health.

Dr. Chase's Nerve and Blood Tablets may be had at almost any druggists at sixty cents a box. Special strength ninety cents. Advt.

COUNCIL PASSES BOND RESOLUTION

At an adjourned session of the city council, held for the purpose of taking up the resolution to issue bonds for the payment of water and light bills incurred during the first half of the present year, and also for paying \$3,000 in certificates of indebtedness issued in 1917, the resolution was passed under suspension of the rules. No other business of importance was transacted.

THOSE 2 WORDS "DOLLAR BACK" GAVE HIM FAITH

Henry Vandyke, Well Known Milk Dealer, Tells a Striking Nerv-Worth Story.

Nerv-Worth Co. — Before taking Nerv-Worth, in fact ever since I was 17, I had serious stomach trouble. Could not eat cabbage, turnips, corn cakes nor many vegetables, except with serious distress. When I saw that every Nerv-Worth ad contained the words, "Your dollar back if the tonic does not help YOU" I concluded that the remedy must have real merit. I bought a bottle of it. The first bottle did me so much good that I felt encouraged to believe it would cure my indigestion if I kept on. So I took Nerv-Worth until four bottles had got in their work against my trouble and NOW I AM CURED. I can digest all those foods which gave me so much distress and can go to bed and sleep like a baby. Nerv-Worth has also banished all my nervousness and sleeplessness. I have taken all kinds of medicines. None gave the satisfaction that Nerv-Worth has.

RODECKER'S NEWS STAND

News of Interest to Women

Four musicians of very high calibre have been added to the Community House orchestra. They are Isadore Gordon, cellist, formerly a member of the Hotel Statler orchestra at Cleveland; Louis Kintz, violinist, formerly with the Metropolitan Theatre orchestra at Cleveland; Andrew Sindelar, formerly with the Ringling circus; and Hayden B. Reese, trombone player, formerly with the Keith Theatre orchestra at Youngstown.

The cello played by Private Gordon is said to be a genuine Grancine and to have been made in Europe in 1718. It is valued by its owner at \$3,000.—Chillicothe News Advertiser.

Mrs. O. E. Hardway entertained at a pleasurable six o'clock dinner of tasteful appointments Thursday evening Mr. and Mrs. Jerome Taylor and family, Mr. and Mrs. Harry Taylor and family, Dr. and Mrs. T. W. McFadden, Mrs. N. A. Taylor, Mrs. Jones and Mrs. Mary Arehart.

White chrysanthemums were used in graceful decoration.

"Stay on the job," is the word given out from Ohio's war work headquarters today. All war work organizations are to be kept intact, and this means that there is going to be plenty for women to do, in the Red Cross, War Chest campaign and all forms of army and civilian relief.

The advice from men who know the situation is, "Stay on the job."

Young Women's Foreign Missionary Society of Grace M. E. Church met Thursday afternoon in the church parlors with a fairly good attendance.

Mrs. J. H. Chapman, the newly elected President, presided, and devotionals were led by Mrs. Harry Flee following the singing of two hymns.

Mrs. John Dial gave a good review of the first two chapters of the new book, "Women of the Orient," which the Society are studying for the year.

The meeting adjourned to meet with Mrs. Herman Price on Thursday, December fifth.

At the Women's Relief Corps meeting held Thursday afternoon in G. A. R. Hall it was reported that \$6,000 had been subscribed by members of John M. Bell Post for Liberty bonds and thrift stamps. Many have not reported yet.

Mrs. Sarah Sollars was elected delegate to the district meeting which will be held at London. Mrs. Belle Pickering will go as an alternate.

It was announced that the delayed meeting for making kneecaps for the soldiers at the Sandusky Home and receiving jellies for the Madison Home will be held next Wednesday afternoon at the hall, with Mrs. A. A. Hyer chairman. The next regular meeting will be held the Wednesday before Thanksgiving and the Corps will be inspected on December 12th.

In a most interesting and well prepared paper Mrs. Frank G. Carpenter paid tribute to the war work of the Y. W. C. A., telling how war brought this organization into being and how the War of Wars had shown their wonderful capabilities and resources. All work has been in response to the call of the government.

The first need of assistance was occasioned by the so-called "Girl Question." In response to this call club centers were formed where girls might entertain the boys under proper conditions. Later, especially in the cities adjoining the cantonments, "Patriotic Leagues" were formed for the girls which added to the morale of the members as well as the soldiers whom they met.

Nearly one hundred hostess houses have been established by the Y. W. C. A., where the relatives of soldiers might meet them. Nurseries were added to these where fathers of war babies have been delighted to see them for the first time.

Housing and recreation for munition workers have been of untold value to the government. With a million and a half women war workers in our country and the same number in France this has been to many the

most serious and appealing problem met by the Y. W. C. A.

The Blue Triangle hut was established in every base hospital in France for nurses and for women serving the boys at the front with coffee and sandwiches. A hotel in Paris was established for American women doing government work, one hundred of whom were telephone girls.

Other lesser but vital bits of information were briefly presented and the talk was enthusiastically received.

The members of the C. W. B. M. of the Church of Christ held a very interesting October and November meets at the home of Mrs. Elden Irvin, on East Temple street, Thursday afternoon.

After the regular devotional and business session in charge of the Pres. Mrs. C. O. Deere, the program followed in charge of Mrs. Robert Wilson and Mrs. J. C. Vierabome of New Holland, bearing upon the subject of "The Life in City Industries." The reading and talks on "The Child in Regard to Labor," "The women in work outside of homes," "The duties of the church in behalf of these industrial workers" and "The facts for the busy woman" by the following members: Mrs. H. L. Spray, Mrs. Jasper Blackmore, Mrs. W. E. Robinson, and Mrs. John Vandundy, were very interesting and educational as well.

The book of Amos was reviewed by Brother G. E. Grove. Mrs. Hamer McDole favored the society with a vocal selection to the pleasure of all closing with the C. W. B. M. benediction.

The social hour was conducted by the hostesses, Mrs. Elden Irvin, Mrs. Chan Hyer, Mrs. Harry Jacobs and Mrs. Hamer McDole.

Mrs. William McClain extended the hospitality of her home, Thursday afternoon, to the Women's Foreign Missionary Society of Grace Church at their October and November meeting.

Mrs. Frank Kennedy, President, opened the meeting and devotionals were led by Mrs. Nancy Roberts.

Before the regular business session Mrs. D. S. Craig very ably presented the Y. W. C. A. movement, and invited all the women to the meeting at the Federated Club rooms Saturday afternoon.

Both Months' programs were given, Miss Josephine Porter had the October one in charge, and Mrs. C. W. Soddors the November, "Women Workers in the Orient" and "Women Wage Earners" were the subjects.

Misses Annette Stafford, Martha Porter and Evelyn Soddors added pretty piano solos, and Mrs. Corrine Larrimer contributed a pleasing vocal solo, accompanied by Mrs. Nye Gregg.

Mrs. G. S. Hodson and Mrs. C. S. Haver were appointed as delegates to the District Convention at Mt. Sterling with Mrs. J. B. Worthington and Miss Fannie McLean alternates.

Rev. Cherrington closed the meeting with prayer.

The girls of the Chi Delta Chi Club, who have been very active in Red Cross work purchased two fifty dollar Liberty Bonds in the last drive and in order to assist in raising the one hundred dollars, Misses Helen Durant and Ruth Brown ushered, Thursday evening at the Palace theatre and Miss Jessie Supple sold tickets at the same theatre, Tuesday evening.

The young girls have announced their intention of engaging in other activities in order to raise the necessary money.

TELLS OF LABORS AMONG WOUNDED IN FLANDERS FIELDS

Fred G. Carpenter, Son of Judge and Mrs. Frank G. Carpenter, Writes interestingly of Location and Activities on Battle Front in France

Judge and Mrs. Frank G. Carpenter, of this city, are in receipt of a most interesting letter from their son, Fred G. Carpenter, who is a member of the 148th Field Hospital, 37th Division, in France. He writes under date of October 5th, and says:

We find ourselves in a wonderful French Chateau. To make us more comfortable there is a crackling fire in the large open fire place.

Every nook of the large place is filled with our boys, but they are happy and they are warm. The clatter of arms greets the ear and everywhere we see an endless stream of supplies and men going hither and thither.

To reach this place we leave the main highway, go up a hill and through a grove, then we see a shattered stone wall, pass through the dilapidated iron gateway, under a bower of shrubbery, and enter a small court. There stands the gray stone chateau, propped here and there with large supports, and on this side are the foundations made by shell.

The main part is finished in black walnut and the floors are of stone. What furnishing might have been here to blend with such spaciousness! In the chambers are the bed insects, where no doubt wonderful carved steeds once filled the now empty spots. Beautiful curtains have been replaced by bareness. The arrangements of the cuisine and servants quarters makes the place complete.

During our travels we were in a village for a little while, and one night we went out and helped in a hay field. The next day we went over to an English aviation field and saw the new Handley Page machine. It would take a mechanic to describe

one, but Freddy stood open-eyed and wide-mouthed and took it all in. They are wonderful and look like a sky-scraper on wheels.

The call for action came and we went forward on rain soaked roads that had been ruined by heavy traffic. We went to a region that had been the scene of much fighting. The vision could see naught but destruction. You can talk about shell holes and see pictures of them but a shell hole is like a horse—there are many kinds large and small. The topography here was adapted to an exquisite variety and we received them.

We were just about to put up our field hospital when word came to move on, and we were to walk, so hike we did for several miles through deep mud and a drenching rain, but we were on our way to help do good, and we were willing to go through anything. Mud, rain, or the darkness of the woods did not stop us, and at last we arrived at the dressing station where we were to work. The roads prevented bringing in the wounded in machines, but we looked after a few, working all night.

Next day we went on a searching party up to the trenches and newly occupied lines, passing shattered German artillery, and when I say shattered I do not exaggerate, for our fire was so sure that the shells hit the pieces themselves. We wandered over hills, through orchards, and over old roadways, and then something dropped! Fritz started a barrage and we were on the out skirts. Talk about the Keith acrobats, they have nothing on the boys of No. 148. With unprecedented accuracy and unthinkable agility, we dove for shell holes and cover, then popping out and down, bounced our way back to camp unharmed.

We opened up for business and cared for patients. When you see some of the boys, your blood boils and you want to grab a gun and go after the Hun.

We had some Germans to care for, poor misguided piece of human machinery. I pity them because they have been deluded. When they arouse from their stupor, the emperor will be no more, and Germany will be a republic.

FRED.

VALUABLE RING FOUND IN LEAVES

Hon. George P. Dunham, a member of an auto party enroute from Washington C. H. to Picketon, stopped at Leesburg, and while there lost a valuable ring. After Mr. Dunham reached his destination he missed the ring, and returned over the same route, stopping at every point visited on the way to Picketon. When he arrived at Leesburg on his return trip he entered the garage and looked carefully in the repair shop where he had been. Very much disappointed at not finding it there, he came out to the lavement and while talking, shuffled his foot through a bunch of leaves. He saw something flash, discovered his ring lost three days previous. Mr. Dunham prized the ring very highly as it was one of nineteen purchased when he was a member of a class that took the 14th degree in Masonry, and he is now the only surviving member of the class.—Hillsboro Dispatch.

MEMOIR—BAUGHN

Lyster Baughn, son of James and Elizabeth Baught was born at the old Baughn homestead near Harmony church in Jasper township, June 11th 1853 and departed this life at the home of his son Frank at Milledgeville, November 5th 1918 aged 65 years 4 months and 24 days. All his life he has lived at the place where he was born, and was recognized by all who knew him, as an

exemplary man, one who's life was clean, honorable and upright; he was a plain modest man and all his life enjoyed the highest respect and esteem of the entire community where his life was spent and he was so well known.

He was of a family of eight brothers and two sisters, five of the brothers, Bereman, Elisha, James, William and Alonzo and one sister, Mrs. Roscoe Yeoman survive him.

He was united in marriage to Ella Fernow on March 3rd 1881, to this union four children were born one of which died in infancy while a daughter Mrs. George Morris of the Harmony neighborhood and son Frank of Milledgeville and Herman of Detroit Michigan and 8 grandchildren remain to mourn the loss of a kind and devoted father, the mother having passed into the Great Beyond in 1889.

He was a devout Christian, having been a member of Harmony M. P. Church since childhood and for many years he has been Class leader and superintendent of the Sunday School and the church society will feel his loss most keenly.

While his illness was not of a very great duration, his suffering was intense but he bore it with heroic fortitude; with him, nature's great debt is paid, and it is only left to us, to place the sacred dust in its last resting place, moisten it with our tears of sympathy and turn again to the sad realities of life, knowing ere-long we shall come and lie beside him in the embrace of the same, all conquering foe of all our race; but let us cherish the hope that our spirits join the deathless bliss and dwell amid the ineffable bliss and fadeless joys of the celestial life above, and that we shall Meet and know him there. When the friendships of your, Shall blossom once more, And we all meet again in the morning.

FARM NOTES

CALL FOR BETTER BREEDING

Due to current high prices of feed and the present price of pork, hog men are emphasizing the desirability of using good breeding stock. It is even better, they say, to use a mediocre pure bred sire than a scrub of good appearance. He will aid in securing quick maturity of pigs, greater economy of gain, and more certainty of breeding true to type.

Glts should be at least eight months old when bred. The sow three years old is better able to farrow a large healthy litter than a gilt.

In order that pigs may be farrowed early in March, sows must be bred between November 8 and November 15.

MYRIADS OF LICE ON TREES

The myriads of green plant lice that assembled on the foliage of apple and pear trees during the middle of October were the migratory form of the European grain aphid, commonly called the oats aphid. This insect passes the winter on apple trees where their eggs are now being deposited on the twigs and small branches. The eggs hatch in the spring, the first generation of lice feeding upon apple buds and the second and third generations flying to wheat, oats, and wild grasses where they remain unobserved until fall.

Orchard owners need not feel alarmed since this insect has not been a serious enemy of the apple and their presence there now does not signify a serious apid outbreak next year.—T. H. Parks, extension entomologist, College of Agriculture.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

PUBLIC SCHOOLS
BUY \$14,931.02
WORTH OF STAMPS

High School in Lead With Average of \$19.02 Per Pupil Enrolled—General Average of \$11 For Each Child Enrolled

The war savings stamps sales of the Washington schools have been very gratifying to all concerned, and the report for the week just ended shows that the pupils are taking a deep interest in this important phase of the war activities.

The report just compiled shows that of the 1357 pupils enrolled 560 have purchased war savings stamps, and that the average per pupil has reached \$11, the total sales to-date being \$14,931.02.

Of the grand total sales, the amount reported previous to May 28, 1918, was \$19,552.32, and the sales during the summer and the week just ended total \$4378.70.

The purchases by the various schools are divided as follows:

High School, enrollment 243, number of pupils who have purchased stamps, 179; sales for the summer and week just ended \$1288.26; previously reported (prior to May 28) \$533.01, total purchases to date \$1,821.27, making a total per pupil of \$19.02.

Central—Enrollment 493, pupils buying stamps 231; sales past summer and week just ended, \$2290.44; previously reported \$5649.43; total per pupil enrolled \$15.92.

Sunny Side 227 enrolled, 53 purchasers, \$371.40 purchased during the summer and week just ended; \$525.57 previously reported, making total sales \$896.97, or an average of \$3.95 per pupil enrolled.

East Side—236 enrolled, 54 purchasers, \$270.79 purchased during past summer and week just ended, \$358.58 previously reported, making total of \$629.38, or average of \$2.67.

Cherry Hill, 153 enrolled; 52 purchasers; \$167.81 purchased during summer and past week; \$685.72 previously reported; \$853.53 total, and an average of \$5.58 per pupil enrolled.

ROLL OF HONOR

Total American casualties made public today are 1065, and of this number 41 are Ohioans.

As previously announced the casualty lists will probably continue for several weeks to come, owing to the fact that the lists have been several weeks behind, or in other words include casualties which actually occurred several weeks ago. Also as long as American troops are abroad there will be casualties due to disease accident, etc.

Today's lists are divided as follows: killed in action 223; died of disease 276; died of accident and other causes 5; wounded severely 59; wounded degree undetermined 179; wounded slightly 22; missing in action 278.

The Ohioans are:

POPULAR TEACHER
GOES TO CLEVELAND

Miss Prudence Culhan has resigned her position as teacher of the fifth grade in the Central Schools to accept an exceedingly good offer from the Cleveland schools.

Miss Culhan has been a popular efficient teacher here, and her resignation was accepted by the Board of Education with much reluctance and by school patrons with great regret.

Miss Lena Fultz has been employed to fill the vacancy of Miss Culhan, and will enter upon her duties, Monday.

FOOTBALL GAME
HERE TOMORROW

The Xenia High School foot ball team will meet the Washington High School foot ball team on the local field Saturday afternoon at 2:30 o'clock and a fast game is expected.

The Xenia school has a strong team and as the Washington boys have demonstrated their ability to take care of themselves in good shape and play hard, clean football, a hard contest is sure to result.
